DIRECTIONS FOR USE

Restraint: DO NOT place in areas that are routinely washed.
PEST: For the control of German and other common cockroaches.
RATE: Apply as 1-2 spots or in a band 75 to 150 mm long per square metre.
Recommended spot size 1/4 to 1/2 g.

NOT TO BE USED FOR ANY PURPOSE OR IN ANY MANNER CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION.

GENERAL INSTRUCTIONS

Maxforce Cockroach Gel is an insect stomach poison. To apply gel, remove the cap on the nozzle, touch the tip to a surface and depress the plunger. Recap the dispenser after treatment is completed. The bait will adhere to non-greasy and non-dusty surfaces and will remain pliable and palatable to cockroaches as long as it is visibly present. Re-apply when bait is no longer visibly present, according to the remaining level of infestation. A visible inspection of bait placements is recommended at one month after the initial treatment. Re-application should occur if the bait is visibly depleted. Pest population reduction will be apparent within a week or less. Avoid contact with porous surfaces as the bait may stain.

PRECAUTIONS

Avoid contact with food, food utensils or places where food is prepared or stored. Do not apply on food preparation or serving areas. Should not be used in areas accessible to children. Do not use on or around electrical equipment due to the possibility of electric shock. DO NOT apply the product in areas easily accessible to children and animals.

PROTECTION OF WILDLIFE, FISH, CRUSTACEANS AND ENVIRONMENT

DO NOT contaminate streams, rivers or waterways with the chemical or used containers.

STORAGE AND DISPOSAL

Store in the closed, original container in a dry, cool, well-ventilated area out of direct sunlight. Dispose of used tube by wrapping in paper, placing in plastic bag and putting in garbage.

SAFETY DIRECTIONS

Harmful if swallowed. When using the product wear rubber gloves. Wash hands after use. After each days use wash gloves.

FIRST AID

If poisoning occurs, contact a doctor or Poisons Information Centre (Phone Australia: 13 11 26).

MATERIAL SAFETY DATA SHEET

Additional information is listed in the material safety data sheet.

Exclusion of Liability

This product must be used strictly as directed, and in accordance with all instructions appearing on the label and in other reference material. So far as it is lawfully able to do so, Bayer CropScience Pty Ltd accepts no liability or responsibility for loss or damage arising from failure to follow such directions and instructions.
