Manufacturer address: 103 – 107 Potassium Street, Narangba, Qld 4554
Manufacturer telephone No.: 07 3204 8300
Name of Chemical Compound: **"EXTERM-AN-ANT"**

Category of use of Chemical Compound: (as per Appendix 1 of AQIS Meat Notice 2011 – 05)

Intended use of Chemical Compound: * Category 16 : Pesticide Type D

**Note: Insert the description of food preparation areas or other areas in which the stated chemical compound is to be used.*

"A miscellaneous pesticide for use strictly in accordance with labelled directions."

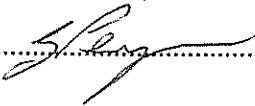

Declaration of manufacturer of Chemical Compound

As company representative for the manufacturer of the above chemical compound, I declare the above stated chemical compound is suitable for use in export registered meat or meat product establishments for the purposes stated in this application, that I have supplied a copy of the label and MSDS with this declaration and acknowledge that this declaration is subject to the following conditions:

This declaration is rendered invalid by:

1. Any change in the formulation of the stated chemical compound,
2. Any change in the instructions for use in the stated chemical compound,
3. Any incorrect and/or unintended use of the stated chemical compound.

Printed name of manufacturer representative: Glenn Peipman

Signature of manufacturer representative:..........Date: 23/8/11.....

Declaration of qualified chemist

The stated chemical compound identified above, when used in accordance with the directions on the label:

- is fit for the purpose for which they are to be used;
- will not contaminate animals, meat and meat products;
- will not deleteriously affect food or food products.

The formulation of the chemical compound complies with -

- the requirements of the United States Department of Agriculture's Food Safety and Inspection Service Agriculture Handbook titled 'Guidelines for Obtaining Authorisation of Compounds to be used in Meat and Poultry Plants'.
