

SAFETY DATA SHEET

7. HANDLING AND STORAGE

Store bait in original container, in a dry locked place away from food, children and domestic animals.

8. EXPOSURE CONTROLS / PERSONAL PROTECTION

Occupational Exposure Limits: Not applicable

9. PHYSICAL AND CHEMICAL PROPERTIES

Form / Colour / Odour: Solid block/fawn-brown/chocolate smelling

10. STABILITY AND REACTIVITY

Stable and non-reactive under normal storage and use conditions.

11. TOXICOLOGICAL INFORMATION

The bait presents no chemical hazard to operators.

12. ECOLOGICAL INFORMATION

Use the block only for the purpose indicated and in the manner prescribed by the label.

13. DISPOSAL CONSIDERATIONS

Container disposal: Dispose of empty containers by burning or burying. Bury any unwanted or spoiled bait on the active tip face of a landfill. The application of composting material under and over the bait will accelerate degradation.
