1. This insecticide is not permitted in any edible product area or any area where edible product or packaging material is stored.
2. It must be used in a manner that prevents the entry of the insecticide into edible product areas or stores containing packaging material.

This approval may be withdrawn at any time due to unapproved directions for use, or unsatisfactory performance, or any change in product formulation. The Systems, Support & ACVM Directorate must be notified if the holder of this approval wishes to transfer their products to another entity.

The product must be used in accordance with the manufacturer's instructions and specifications. The label may include a statement to the effect that the product is approved for use in premises registered under the Animal Products Act regime. Any statements made, however, must include the approval code and must be limited to the following unless otherwise specified:

MPI Approved Type B(All animal product except dairy)

This approval must not be used as a Ministry for Primary Industries (MPI) endorsement of any claim made for the product by the manufacturer.

This approval will remain valid until 31 October 2018 unless the approval is revoked by notice in writing at an earlier stage.

Any queries regarding this approval should be directed to the Systems, Support & ACVM Directorate by either telephone on 04 894 2550 or by e-mail at approvals@mpi.govt.nz.

Yours sincerely,

Andrew Freeth
