

BREWER DEFOAMER... Specimen Label

Ingredients

Active Ingredients: Dimethyl-polysiloxane.....	10%
Inert Ingredients: components ineffective as adjuvant.....	90%
Total:.....	100%

CAUTION

Do not take internally. Avoid skin contact. May cause skin and eye irritation.
Keep out of the reach of children.

ANTIDOTE

If swallowed: Do not induce vomiting. Get medical attention. In case of skin contact, flush thoroughly with water.

CHARACTERISTICS

Brewer Defoamer can be used for foaming problems in spray tanks by adding Directly to spray tank when foaming exists or even before adding herbicide, pesticide, or wetting agent to prevent foam. Avoid freezing, white in appearance. Ingredients in Brewer Defoamer are exempt from the requirements of tolerance under Title 40, CFR, 180.1001 (d).

DIRECTIONS FOR USE

Foaming in spray tank: 1 to 2 ounces per 100 gallons
Existing foam: 1 to 2 ounces squirted on top

CONDITIONS FOR SALE

We warrant that this product conforms to the chemical description on the label and is reasonably fit for the purposes set forth on the label when used according to directions under normal use conditions.

There are no other warranties, whether expressed or implied, including a warranty of fitness for a particular purpose. This warranty does not extend to the handling or use of this product contrary to label instructions or under abnormal conditions not reasonably foreseeable to seller, and buyer assumes all risk of any such use.
