

# MATERIAL SAFETY DATA SHEET

Product Name: ReJex-it INVISIDYE

## Section I – Company Identification

Company Name: Natural Forces LLC  
Address: PO Box 2601 Davidson NC 28036  
Emergency Phone: Chemtrec 800-424-9300 Information Phone: (866) 532-4737

## Section II - Composition/ Information on Ingredients

Chemical Name: Oxazolix Derivative

Synonyms: 1,2-Ethanediol; glycol; 1,2-Dihydroxyethane; Ethylene Alcohol; Ethulene Dihydrate

Material	Percentage	CAS#	ACGIH	(TLV)	OSHA (PEL)
Ethylene Glycol	<3.0%	107-21-1	50PPM	Vapor	(AIR) NE

SARA: This product is not reportable under section 313. No toxic chemical(s) subject to the reporting requirements of Section 313 of SARA Title III and of 40 CFR 372 are present.

TSCA: IN Compliance

NFPA Fire Hazards Code

Health: 1	Key: Minimal: 0
Fire: 1	Slight: 1
Reactivity: 0	Moderate: 3
Specific: NA	Severe: 4
	NA: Not Applicable
	NE: Not Established

## Section III - Physical Data

Appearance: Milky Liquid	Vapor Pressure/Density (Air= 1) : NE
Odor: Bland odor	% Volatile by Volume: NE
Melt Point: NE	% Solubility: Completely dispersible in all proportions
Specific Gravity: NE	Boiling Point: 212F

Molecular Weight: 62.07

Chemical Formula: CH<sub>2</sub>OHCH<sub>2</sub>OH

#### **Section IV - Fire and Explosion Hazard**

Flash Point & Method: Above 212F

Flammable Limits      LEL: Not Established      UEL: Not Established

Extinguishing Media:    Water Spray, CO2, Foam, Dry Chemical

Special Firefighting Procedures:      Firefighters should wear full-face, self contained breathing apparatus and impervious clothing.

Unusual Fire and Explosion Hazards:    None Expected

#### **Section V - Physiological Effects**

LD50 Oral (ingestion)      Not Established

LD50 Dermal (Skin Contact)      Not Established

LC50 (Inhalation)      Not Established

Primary Route of Exposure      Skin and Eyes

Threshold Limit Value      Not Established

Effects of Overexposure Acute:

Skin and Eyes:    May cause redness or irritation

Inhalation:      May cause nausea

Effects of Overexposure Chronic: None Known

#### **Section VI - Emergency and First Aid Procedures**

Skin:              Remove contaminated clothing. Wash skin with soap and water. Obtain medical attention if irritation persists. Wash clothing before reuse.

Eyes:              Immediately Flush eyes with water for at least 15 minutes. Seek medical attention.

Ingestion:        Never give anything by mouth to an unconscious person. Give two glasses of water. If vomiting is not spontaneous, induce vomiting. Keep airway clear. Seek medical attention.

Inhalation:        Remove to fresh air and administer oxygen if necessary.

If any irritation should persist obtain medical treatment.

#### **Section VII - Accidental Release Measures**

Floor may be slippery; use care to avoid falling. Contain spills immediately with inert materials( ie. sand, earth). Rinse residue with water. Spilled material can be collected and placed in a covered waste disposal container. Waste disposal should be in accordance with local, state and federal regulations.

## Section VIII - Exposure Control and Personal Protection Information

Ventilation:	Mechanical Exhaust
Respiratory:	None required in properly ventilated areas.
Eye Protection:	Chemical Safety Goggles
Protective Gloves:	Rubber or Neoprene Gloves
Other:	Protective Impervious Clothing. Emergency Eye Wash station

All Chemicals should be handled so as to prevent eye contact and excessive or repeated skin contact. Appropriate eye and skin protection should be employed. Inhalation of dusts and vapors should be avoided.

## Section IX - Stability and Reactivity

Conditions Causing Instability:	Stable Product
Incompatibility (Materials to avoid):	Strong Oxidizing and Reducing agents
Hazardous Decomposition Products:	Thermal decomposition may product CO and/or CO2
Special Sensitivity:	None Known

## Section X - Handling and Storage

Handle with due care and avoid unnecessary personal contact. Keep lid in place when not in use. Store in dry, cool area. DO not Freeze to protect product stability.

## Section XI - Transportation Information

DOT Hazard Classification  
Primary: Non-Hazardous  
Secondary: Non-Hazardous  
Freight Class: Non-Regulated

IMO Hazard Class: None

DOT Labels Required: Community Right to Know label

## Section XII - Regulatory Information

Sara Hazard Category: This product has been reviewed according to the EPA hazard categories under section 311 and 312 of SARA Title III, 1986, and is considered, under applicable definitions, to meet the following categories:

- Hazardous components at level which require reporting are: none.
- OSHA Hazard Communications Standards, 29 CFR 1910.1200 – This product is not hazardous.
